SCDXC Minutes of Meeting, July 9, 1981

President Tom Hoyne opened the meeting at 8:17 PM in the DWP Cafeteria. At the beginning of the meeting 114 members and guests were present.

1. It was announced that the new proposed by-laws printed on two sheets available at the meeting would be voted on by paid up members before the end of the meeting.

2. Concerning the problem of QRM on the repeater, Joe Merdler, N6AHU, requested members to furnish him with specific times and dates of observed violations of FCC rules such as profane or obscene language or deliberate QRM on the repeater.

3. The August meeting will be the 'Pizza Bash', time and place to be announced in the Bulletin.

4. Tie clasps, belt buckles, etc. may be ordered from K6YUI, Larry Mallek.

5. At 8:25 PM the program for the evening was started. Two members of the Long Beach office of the FCC, Grace and Catherine, were introduced. They gave a summary of recent FCC actions pertinent to amateur radio and answered questions from the floor. Several petitions for rule-making in connection with sub-band frequency allocations were denied. Specific information regarding observation of obscene language or jamming was requested. There is an ongoing program of enforcement of the FCC rules underway. Several "show cause" orders are now issued. FCC 610 forms were brought to the meeting for distribution. This part of the program finished at 8:56 PM

6. From 8:58 until 9:10 Dick Belden, K6QYL, from Santa Barbara spoke about SPAR, Society for the Protection of Amateur Radio. Dick described the reason for and the purpose of the organization and requested that the club prepare a resolution about the FCC Plain Language Rules for submittal to our ARRL director, Jay Holladay.

7. Tom Hoyne, N6NI, explained the rules covering the 'Clipperton Award'. New members of the club for the calendar year 1979 may submit cards for confirmed contacts starting with the first DX contact made in 1979 and for a period of one year from that contact date.

8. Larry Brockman, N6AR, chairman of the 1982 Visalia DX Convention solicits volunteers for convention committees.

9. An announcement was made of the 'First annual SCDXC country chase' to be held in the fall of 1981. The contest will be for an 8 hour period (or two 4 hour periods) over a weekend. Any mode, any band, permissable. Three classes of entry will be recognized: full power plus gain antenna; exciter plus gain antenna or power amplifier and vertical antenna or dipole; exciter power and vertical antenna or dipole antenna. No lists or nets permitted. See next Bulletin for details.

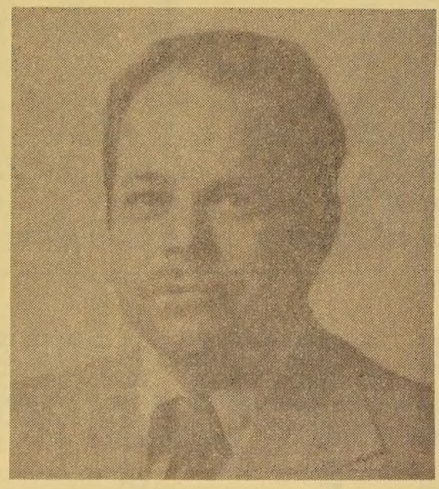
10. At 9:32 the by-laws were voted on.

11. From 9:33 until 9:46, when the meeting was adjourned, DX news from the floor was requested; Stan Brokl, N2YQ, announced that he would again run for SCM office; Guests were introduced.

The meeting closed at 9:46 PM.

Perry Esten, W6PN
Secretary

PERSONAL PROFILE - Ron Camp, K6EVR



Ron was first licensed in 1954 as KN6EVR, receiving his General class in 1955 and Extra class in 1968. Ron has been chasing DX since 1955 and has entered many ARRL and CQ WW DX contests, winning his fair share of them. Ron won the SCDXC DXer of the Year award in 1963 and was president of SCDXC in 1964. An excerpt from the Feb. 1964 Bulletin reports on Ron as the incoming president: "Ron is preparing to move his QTH from Eagle Rock to Temple City as he talked Joe Bush, W6CYV, into selling him the house and 75 foot pole in the back yard. We can count on hearing much more from Ron in about two months when he gets the BIG 5 element beam on the 52 ft. boom - up 75 feet or so. Ron still has the heavy duty 71 ft. crank-up tower for sale. It looks like Ron and Dale, W6WSS, won the 160 meter contest for California with 200 contacts. Bet that noise and LORAN are still ringing in their ears after that weekend of listening. Ron has also been helping Dale in preparation for the ARRL DX contest - both CW and fone. Ron is also happy at becoming a father in the near future."

Ron says that the biggest award that he has received was winning the 1959 Bermuda contest and getting a one week, all expense paid trip for two people to VP9 land. He took Dennis Dinga, W6UED (now N6DD), with him. They stayed in the Honeymoon section of one of the hotels in Warwick Parish! (That should have started the parishioners talking!) Ron says it is still a mystery to him why they put them up in that part of the hotel.

Ron has been working for Wallace & Wallace since 1963 and at present is VP of the company. Wallace & Wallace is a manufacturer's representative company started by Don Wallace, W6AM, whom Ron says is now retired from the business and working full time on Ham Radio!

Ron has been married to Kathie for 19 years. They have two girls: Janine, 16 years old, and Charmagne, age 10. Both Kathie and Janine are into showing horses and have three horses at the present time. Most of us have only one nag around the house but Ron has three!

Monthly Meeting Door Prizes Instituted

At this month's meeting, which will be our annual "Pizza Bash", to be held on Thursday, Aug. 13 at Shakey's on Arbor Vitae Street near LAX (see page 1 for details), a substantial door prize will be raffled. The door prize will be an ICOM IC-2A 2 meter "hand-held". Paid up SCDXC members will receive 1 raffle ticket along with their $6.00 dinner ticket, and may purchase additional raffle tickets at $1.00 each. Depending on the success of this month's raffle, it is hoped this will become a regular monthly event. However, such generous prizes may not always be available.

New Constitution and By-Laws

Since a quorum was not present at the July 9 meeting when a vote was taken, the new club Constitution and By-Laws will be published in the September Bulletin and voted on by mail.

Clipperton Award

This award will be presented at the September meeting to the member who first joined SCDXC in 1979 and who has the most confirmed countries for a 12 month period beginning with his first DXCC country QSO in 1979. Any eligible SCDXC member wishing to compete for this honor should apply to any club officer or director no later than Aug. 31.

New Club Directories

The new Club Directories are published and can be picked up at the next or subsequent meetings. Arrangements will be made to deliver the Directories to out-of-town members.

Jerry Hagen, N6AV, Arrives Safely in No. Carolina

Jerry, N6AV, is now settled in his new home at 9407 White Hemlock Lane, Matthews, NC 28105. His new phone numbers are H: (704) 847-7513; W: (704)588-1950. He says that fellow SCDXC member Gary, WB6RXW, is also settled in So. Carolina and has a new call - KD4RH. Jerry is planning to put up a wire and antenna tuner for 40 and 80 mementarily, and hopes to have the tower and beam up by this fall for the 10 meter band opening. Keep in touch Jerry.

Library of SCDXC Bulletins

Thanks to Jerry, N6AV, we now have a rather complete library of SCDXC Bulletins from 1962 to date. We would like to fill in a few issues we are missing as well as get copies of issues before 1962 if any of our members have copies and would like to contribute them to the Club Library. There are some months that we know the Bulletin was not published. We have taken note of that but where there is a question we will keep looking. Following are the issues that we would like to receive:

1961 and prior: all
1962: Jan., Feb., Mar., Apr., May, Aug., Sept.
1963: Mar.
1964: July, Nov.
1965: Feb., Mar.
1966: June, July, Aug., Sept., Oct., Nov., Dec.
1967: Jan., Feb.
1978: June

First Annual SCDXC Country Chase, Oct. 3-5, 1981

As promised by President Tom, N6NI, the last Director's Meeting approved the format and Rules of an intra-club DX contest. The first "Country Chase" will be held over the weekend of Oct. 3-5. Following are the Rules:

1. Entrant must be a full member, associate member or honorary life member of the Southern California DX Club.

2. The competition will begin at 0200 UCT on Saturday, 3 Oct. and terminate at 0200 UCT on Monday, 5 Oct., 1981. Entrant may operate a maximum of 12 hours. From the time of the first overall contact to the time of the last overall contact, a maximum of three breaks may be taken. Breaks shall be shown in the log. Total operating time will be calculated as the sum of the times between the first and last contacts in each operating segment.

3. Entrant may work any band and any mode. Score one point for each DXCC country worked (according to ARRL DXCC Countries List dated 12-80). No extra credit will be given for working the same country on more than one band or with more than one mode.

4. Entrant may compete in one of the following three categories:

   Category I - Maximum legal power/multi-element antenna or rhombic

   Category II - 100W max output/multi-element antenna or rhombic
   OR
   Maximum legal power/dipole or vertical antenna

   Category III - 100W max. output/dipole or vertical antenna

5. Log data must include for each contact date, time, band, signal report sent/received and DX station operator's name. Breaks must also be shown in log. Log must be submitted with entry sheet signed by entrant and including entrant's name, call, license class, power/antenna used and claimed score.

6. Third party assistance is prohibited (no 2 meter spotting, no use of DX lists or nets).

7. Each entrant must operate in accordance with the FCC rules and regulations applicable to his license class. Entrants found, in the opinion of the judges, to have operated in violation of FCC rules and regulations or the above competition rules shall be subject to disqualification.

8. The decisions of the judges will be final.

San Diego DX Club to Meet at House of SCDXC Member W6YA

The San Diego DX Club is planning an informal get-together at the home of SCDXC member Jim McCook, W6YA, 1029 Passiflora Pl., Leucadia, on Sunday, Aug. 30 from 1-5 PM, The SDDXC has extended an invitation to any SCDXC members to attend. For further information, please contact Fried Heyn, WA6WZO, at 714-549-8516 or on the 2 meter repeater.

New Members

If you know of any prospective members, either full (100 countries or 40 zones confirmed) or associate (25 countries confirmed), contact Membership Chairman Neil Kaltman, K6SMF, 213-995-6242, for application forms, sample Bulletin, etc. Welcome to the following members:

WB6DAD, ex W2YZX, Arthur M. Varnum, 749 Toussau Dr., Fullerton, CA 92631
K6QC, ex W9GCW, Paul E. Range, 3478 Woodcliff Rd., Sherman Okas, CA 91403
WA6OEZ, Chris Akiyoshi, 722 Pamela Kay Lane, Whittier, CA 90601
N6BCY, ex WD5JJV/KA6DTV, Rosemarie Ruth Pitz, 3654 Linden Ave. #1, Long Beach 90807

SCDXC Bulletin Eleven Year Flash Backs

From the August, 1970 SCDXC Bulletin, Jerry Hagen, WA6GLD, Editor -

Laccadives - The West Coast DX Bulletin reports that Larry Pace, K2IXP, ex C31CQ, has obtained a VU4 license. Seems hard to believe but with OH2BH/ZA anything is possible!

Maldives - Mal, 9V1OY, has been signing VS9MQ on 20 and 15 meter CW about 1330 to 1600Z. Said that he would try 40 meters about 1330Z.

5BDXCC Scores - K6KA, W6NJU and W6ANN have received 5BDXCC certificates #14, 15 and 26, respectively. W6AM and W6JKR have worked 5BDXCC and are awaiting confirmations. The following members need only these 80 meter contacts: WA6GLD - 3; W6EJJ - 10; WB6PKA - 12.

We Lose Again! - Frank Anzalone, W1WY, the CQ Contest Editor, reports that the SCDXC was defeated by the NCDXC in the 1969 CQ WW Contest by a score of 18.2 million to 17.2 million. This was our second loss in the CQ contest in as many years so we must plan massive retaliation as we did in the 1970 ARRL contest.

ZL1AMO/K on Kermadec in November?

Ron, ZL1AMO, is planning to go to Kermadec for about a week in November, but reports that he needs a tri-beam antenna, linear, and keyer for the operation. Anyone have any ideas? Ron has given a lot of us many new band-countries in the Pacific during the last year. It would be great if we could give him something in return.
